**Fuel Tax Credit:** Due to the complexity and volume of information needed for this tax credit, please refer to our website for the SC I-385 form. There are two versions of this form—one is form-fill and the other can be printed and then completed. If you use the form-fill version, be sure to print the form after completing it. Also, be sure to include this form with your tax documentation. As an example of this credit, for 2022, a qualifying purchase of 1,000 gallons of fuel per vehicle results in a credit of \$110 per vehicle.

Please list below all estimated payments made for the tax year 2022, including payments for 2022 made in January 2023.
